Board Members Present: Tiffini Clark, Roy Dorn, Bill Clark, Yolanda Atkinson
No quorum present.

Agenda

Financial Report was not given by Roy Dorn.

Future Events:

- 1) *ZONC/ZCG Anniversary Dyno Day*: Discussion: Date April 10th 9am-4pm at *Z Car Garage (ZGC)*. Rob Fuller will do Dyno for \$40 (in commemoration of 40 year Z anniversary) cash, with 20 cars max, wants *ZONC* to donate some gifts for raffle (i.e., registrations to *Blackhawk*, memberships, free add, etc.). *ZGC* will give a free dyno to anyone who signs up for new *ZONC* membership that day. Tiffini Clark will handle the registrations for the dyno day for *ZCG*. *ZCG* will provide food and *ZONC* can chip in some items for food.
- 2) *Sonoma Historic Motorsports Festival*: Discussion: We have been contacted to have a car corral at this event at Turn 7. Date is June 5th -6th at *Infineon*. Tiffini Clark is meeting with a Track Rep on Sunday Feb 21, to discuss what they can do for us, including cost and what they want in return.
- 3) Tiffini Clark will be in contact to see what they have in mind as far as cost.
- 4) *Blackhawk*: Discussion: Date is June 19th. Tiffini Clark will try to negotiate the rental price down to \$500 so the cost is the same as last year. The contract paperwork was given to Roy Dorn so that he can send it with the check once Tiffini confirms the rental price with Roy.
- 5) *Brisbane Z&G's By the Bay*: Discussion: Tiffini Clark met with Ted, The Harbor Master for *Brisbane Marina*. It is a great place. Tiffini showed everyone in attendance the pictures of the area. It can accommodate upwards of 1-500 or 500-1000 cars so a great place to grow a show.

Old Bus.

- 1) *Area Representatives*:
 - Alameda Area has not had a Representative. The new Area Rep. is Daniel Hunt. Everyone on this run (San Simeon) was able to meet Daniel. He is very excited about being the rep for his area.
 - We still need reps for a couple more areas.
 - We may have a new Monterey rep, awaiting confirmation from him.
- 2) *The Light House Trip* does not have a date yet. There is a lot of interest. It will be lead by Jack and Yolanda Atkinson
- 3) *ZCCA Nationals in Nashville TN* Discussion: Some interest has been shown for this drive. We need to discuss further. Some people said they would want to drive and others have said fly. We need to put together a sample itinerary and see if we have serious interest. There was no decision made.

New Business:

We need a *Publicity Person*. We need to add to the constitution a position to be responsible for publicity and marketing. We still need to come up with a definition of position.

For Good of the Association:

MSA will not be the traditional event (1 day with BBQ, show-n-shine, and garage sale all on same day at Motorsports shop). All the more reason to use this opportunity to get our shows to be seen as the new West Coast events!

Respectfully Submitted,

Tiffini Clark
