

**Two 240Z Hoods For Sale**

I have two brand new, from the factory, with stickers, 240Z hoods. We ordered these for our 71 240Z when we were restoring it. We were going to mold in a scoop and changed our mind. They are black primer. I know they will probably fit other years/models as well.

We are asking **\$50.00 each.**

**FOR SALE 1972 240Z**

122,000+ miles. Its in original condition. The body is good. Rust is in the usual areas like lower fenders and hatch. Some dings and dents. The right headlight bucket is cracked from a minor bump (front bumper has a dent and the guards are trashed). Body is straight with no signs of a serious crash. It was originally orange then painted burgundy several years ago. The paint is in good condition.

The interior is also in OK condition. Everything is original except for the 8-track AM/FM radio that doesn't work. Driver's seat needs attention. Antenna, clock and accessory light doesn't work. Other than that, its great.

The drive train is the best part. Engine and 4-speed tranny run great without any gremlins. Revs and shifts smoothly. The carbs look like they are new. The tires are almost brand new too. Since I got it, I've done several things including a tune up, valve adjustment, window channel felt and new rubber around doors and shifter.

This is the perfect Z for someone who wants to restore an old car. I still use the car for commuting. I'm asking **\$4,500** for it with a clean title. John **510-517-0304** or
